

## **TRIFOLD Data Inserts – Fort Bragg**

### **Importance for the Army**

- The realignment and activation of forces at Fort Bragg enhances military value and training capabilities in locations that best support Joint specialized training needs, and by creating space for an additional Brigade at Fort Bragg. It provides the necessary capacity and capability, including surge, to support the units affected by this action.
- Activate the 4<sup>th</sup> Brigade Combat Team of the 82<sup>nd</sup> Airborne Division.
- Prepare for and receive FORSCOM and USARC Headquarters.
- Relocate the 7<sup>th</sup> Special Forces Group to Eglin Air Force Base.
- Transform into a Joint Deployment/Mobilization Site.
- Prepare for and receive European-based forces.
- Transfer Real Property accountability from Pope Air Force Base.
